

KEY TO TRANSCRIPT

Accreditation

The University of Connecticut School of Dental Medicine is accredited by the Commission on Dental Accreditation of the American Dental Association.

Release of Information

The Family Educational Rights and Privacy Act of 1974 as amended prohibits the release of this record or disclosure of its contents to any third party without the written consent of the student.

Authentication of Transcript

This document is printed on BLUE safety paper. It is official if the School of Dental Medicine seal is embossed on the face of the transcript and the signature of a School official appears in the righthand corner in ink. The reverse side of the transcript contains a watermark which is visible by tilting the paper toward the light.

If the transcript is copied, the word VOID will appear in shadow outline on the face. Use of ink eradicator or eraser will be evident and will eliminate the colored background.

This transcript form is used for the postdoctoral clinical specialty certificate program.

Postdoctoral Programs

Two grading systems are used for postdoctoral programs at the School of Dental Medicine. Ph.D. and Master Degree programs offered in conjunction with the Graduate School of the University of Connecticut use the Graduate School grading system of letter grades.

The School of Dental Medicine grades on a Satisfactory/Unsatisfactory system for the clinical specialty certificate.

Grades of students enrolled in combined certificate and degree programs are recorded in two areas – at the School of Dental Medicine and in the University of Connecticut Registrar's Office. The transcript from the School of Dental Medicine reflects all courses taken during the program. The transcript from the University Registrar records Graduate School courses only, with appropriate degree credits. The transcript from the University Registrar is the official document for students receiving the Ph.D. or Master of Dental Science degrees.
